

Our client is a leading company in the Tea Trade working closely with tea producers, exporters and brokers.

The Company's primary objective is to enrich Ceylon Tea and create a competitive edge in marketing tea with specific propositions while offering a host of added value solutions to partners / customers by utilizing modern technology and out of the box thinking.

They are now looking to strengthen their team to take their value proposition to the next level.

The working days / times / hours will be dictated by the new normal working pattern in the country and more specifically the tea industry with physical / virtual presence being required throughout.
